5 If you think the soccer moms, the fat dads, the people who brought their children came there to fight you're crazy. Most of the conservatives there are not there for blood.

2 Most people on this board that are not going.. "ah man really??!!" "I thought it was going to be a 1776 revolution." Bombs dropping out of skies.. guns shooting.. pitch forks stabbing... blood in the street Nope just a protest to show support and small antifa skirmishes of people that get caught off guard ✓
